Cancer and thrombosis (IS 5)

Thomas Kümler, Department of Cardiology, Herlev Hospital

10.40 - 11.10**Break**

11.10

Managing side effects in targeted therapy (IS 6)

Dorothy Keefe, Royal Adelaide Hospital Cancer Center, Australia

11.40

Malnutrition in cancer patients: new terminology and concepts for targeted nutritional therapy (IS 7)

Henrik Højgaard Rasmussen, Department of Gastro-Enterology, Aalborg University Hospital

12.00

Cannabinoids (IS 8)

Nan Sonne, Palliativ Afdeling, Frederiksund Hospital, Nordsjællands Hospital

12.30

Discussion and summery

Jørn Herrstedt, Sjællands Universitetshospital, Roskilde

13.00 - 14.00**Lunch**

Fredag 13/4 (eftermiddag)

Auditoriet

14.00 - 14.45 DSKOs onkologipris 2018**14.45 - 15.15 Kaffepause****15.15 - 16.20 Frie foredrag - præsentation af 6 udvalgte abstracts fra yngre forskere**

Chairmen: Louise Raunkilde & Christine Vestergård Madsen, Vejle Sygehus

Bedømmere: Sven Tyge Langkjer, Aarhus Universitetshospital & Eva Vadstrup, Rigshospitalet

15.20 Survival of patients with stage IIIa and IIIb Non-Small Cell Lung Cancer following curative chemo-radiotherapy (PPO 1)
Alexey Lodin, Aalborg Universitetshospital

15.30 An open multicenter study to investigate efficacy and tolerability of olanzapine in patients with advanced cancer suffering from nausea not induced by chemotherapy or irradiation (PPO 2)
Signe Harder, Odense Universitetshospital

15.40 Monitoring the effect of first line treatment in RAS/RAF mutated metastatic colorectal cancer by serial analysis of tumor specific DNA in plasma (PPO 3)
Caroline Brenner Thomsen, Vejle Sygehus

15.50 Comparison of EORTC QLQ-C30 and PRO-CTCAE questionnaires on six symptom items (PPO 4)
Gry Assam Taarnhøj, Rigshospitalet

16.00 NTCP model for radiation induced mucositis of H&N cancer patients (PO5)
Christian Rønn Hansen, Odense Universitetshospital

16.10 Point-of-care self-test of white blood cell count and differentiation in a population of Danish cancer patients: A study of feasibility and measurement performance (PPO 6)
Thea Otto Mattsson, Odense Universitetshospital

Vandrehallen

16.20 - 18.00 Poster session (PPP 1-27)

Bedømmere: Akmal Safwat, Aarhus Universitetshospital, Lotte Engell-Nørregaard, Herlev Hospital
